

WELCOME TO THE PACK!

Congratulations on completing your training and welcome to the Official DGA Member Program! Dog Gone Amazing prides itself on being a home away from home for our furry little alumni. Our mission is to support you and your dog well beyond training by providing services that will keep your dog socialized, exercised and up-to-scruff on their training. We hope you'll join us in the future for overnight stays, hangouts and wild adventures that are sure to make your tail wag.

SO MUCH ROOM FOR ACTIVITIES!

We love going out for adventures, and we take extra care to provide the resources to make that happen! From learning together at our spacious facility or venturing to the mountains, our fun-loving, attentive staff is always leading the pack in a safe, healthy, and loving environment.

SAFETY FIRST.

Have peace of mind knowing our campers and boarders are trained the DGA way. Our facilities are only open to dogs that have completed one of our Advanced or Masters training programs.

NO OVERCROWDING.

We limit the number of dogs we take at any given time, providing you peace of mind in knowing your dog is getting lots of attention, love and care when they stay with us!
