JUNE

Snakes & Sun

SNEAKY SNAKE AVOIDANCE AND
FAR-FROM-FETCHED OUTDOOR PRECAUTIONS

**JUNE
10**

SNAKE EDUCATION

Education and training for dog owners covering warning signs of snake threats and how to react in slithery situations. Participants will receive information and watch a short video covering dangerous snake types, including the region's most common snakes. Clearly learn the difference between deadly and non-deadly snakes (and how to avoid them).

**JUNE
24**

SUMMER DOG SAFETY WITH PEGGY REW

Hear Peggy Rew from Life's Abundance—a holistic company with planet-friendly products for pets and people—cover summer safety topics such as dehydration, dangerous plants, outdoor safety tips and more. Rew is the area's only nationally recognized instructor to teach dog and cat first-aid and CPR.

JULY

Pet Pampering 101

FROM THE DOGHOUSE TO THE GROOMER:
CONSIDERING DOGGY SPA TREATMENTS

**JULY
8**

DOGGIE MASSAGE

Discover the enjoyable healing benefits of massage for your furry best friend! Topics covered include massage for adult dogs and older dogs who are young at heart. Class also includes an overview of doTERRA essential oil treatments for your dog.

**JULY
22**

GROOMING AND ESSENTIAL OILS

Learn grooming tips for paw care, fox tails and more when you're in between trips to the groomer. Class also includes extended education on the appropriate essential oil treatments for you dog.

AUGUST

Lessons on Lifestyle

BEING CHOOSY ABOUT CHEW TOYS, FOOD, TREATS & VETS

**AUG
5**

PET PRODUCT PROS AND CONS

Toys, Trainers and Treats

Learn about the differences in the best and worst pet products from food to toys from the pros over at Reno's all natural food and supply store, Natural Paws.

**AUG
19**

MAINTAINING YOUR DOG'S IDEAL WEIGHT

Come get information about your dog's healthiest weight range from a veterinary professional from Baring Boulevard Veterinary Hospital. We will discuss the benefits and health concerns surrounding healthy weight management. Also, Dog Gone Amazing owner, Malaika, will point out a number of easy and convenient walks around Reno/Sparks and how simple it can be to properly walk your dog regularly.

SEPTEMBER

Intermediate Phil-Paw-Sophy

HOT AUGUST BITES AND COLORFUL PUPPY INSIGHTS

**SEPT
9**

SNAKE EDUCATION

Education and training for dog owners covering warning signs of snake threats and how to react in slithery situations. Participants will receive information and watch a short video covering dangerous snake types including the region's most common snakes. Clearly learn the difference between deadly and non-deadly snakes (and how to avoid them).

**SEPT
23**

WHAT COLOR IS YOUR DOG?

Presented by Joel Silverman

Come listen to Joel Silverman, famed dog trainer and author of the popular book, What Color is Your Dog? Silverman will discuss the positive training techniques oriented around your dog's personality type discussed in his book.
