

WELCOME TO THE PACK!

Congratulations on completing your training and welcome to the Official DGA Member Program! Dog Gone Amazing prides itself on being a home away from home for our furry little alumni. Our mission is to support you and your dog well beyond training by providing services that will keep your dog socialized, exercised and up-to-scruff on their training. We hope you'll join us in the future for overnight stays, hangouts and wild adventures that are sure to make your tail wag.

SO MUCH ROOM FOR ACTIVITIES!

We love going out for adventures, and we take extra care to provide the resources to make that happen! From learning together at our spacious facility or venturing to the mountains, our fun-loving, attentive staff is always leading the pack in a safe, healthy, and loving environment.

SAFETY FIRST.

Have peace of mind knowing our campers and boarders are trained the DGA way. Our facilities are only open to dogs that have completed one of our Advanced or Masters training programs.

NO OVERCROWDING.

We limit the number of dogs we take at any given time, providing you peace of mind in knowing your dog is getting lots of attention, love and care when they stay with us!

TREK & TRAIN DAYCARE

OUTDOOR EXCURSIONS & ONGOING TRAINING

Daycare at Dog Gone Amazing is more than just a fun place to play. It’s where training tools meet the trail...literally. The Trek and Train Program at Dog Gone Amazing provides daily training on new skills and practice sharpening current ones to help your dog stay at the top of their game while providing thrilling, outdoor hikes in the High Sierras. It’s the best combination of trekking and training for a healthy, spirited, and balanced dog.

HOW IT WORKS:

- Choose a 2 day or 4 day program
- No pre-scheduling or tracking days! Come on the days your subscription include with no worry or hassle.
- Easy auto-billing. We’ll charge the card on file on the same date monthly as your sign-up date. (e.g. if you sign up on the 21st, your billing day will be the 21st each month.)
- Initial contract term is 6 months, then continues month-to-month, no obligation, no contract.
- Share the love. Multiple dog homes can share the same monthly subscription plan and share the days included.
- Need to put it on pause? No problem. Once every 6 months, you can freeze membership for up to 1 month.

OTHER FAQ

What if I miss a day? Does it “roll over”?

No, if you miss a day of pre-scheduled daycare it will still be removed from your monthly total.

Can I mix up my days?

You must only attend on the days you’ve subscribed to.

What if I need to cancel?

After your initial 6 month term, the membership can be canceled at any time with at least 2 weeks notice.
